

School Uniform Policy

Vision Statement

St. Joseph's Catholic Primary School is a Christ-centred community, within the Bunbury Parish, which aspires to educate and develop the whole child in a caring, Catholic environment, recognising and respecting the uniqueness, dignity and the rights of others.

All students attending St Joseph's are expected to wear the correct school uniform. The purpose of a school uniform is to:

Promote pride and loyalty in the school;

Remove competition in dress, and

Develop neat grooming habits.

Should a student be out of uniform, a note must be sent to school. The situation should then be rectified as soon as possible. Students are expected to wear their uniform in a neat and tidy manner even when outside the school grounds.

All items of uniform must be purchased from the uniform shop excluding footwear.

Items worn as normal school uniform are not to be mixed with sports uniform and vice versa.

- School hats need to be worn throughout the year. There is a 'No Hat, No Play' rule to be observed so that the students learn to be sun smart.
- Any difficulties which individuals might have with any uniform directives may be addressed through appointment with the Principal.
- Should students be in a situation where they are unable to meet the uniform directives, a note needs to be sent to the classroom teacher and the matter rectified as soon as possible.
