

Update for these tricky times: 23 March 2020

During this uncertain time, it is such a blessing seeing so many of our St Joseph's community looking out for each other as we do our best to make wise decisions that consider all involved.

Thank you for your understanding and cooperation as we seek to keep the school site as safe as possible. Stationing staff at each entry and exit point has meant that we at least receive a friendly greeting from a variety of people during this time of social distancing.

We are extremely aware of parents' concerns regarding continued delivery of the curriculum as class sizes diminish due to increasingly more students staying at home. Rest assured that we are constantly liaising with CEWA and SCSA for the latest updates, advice and instructions. Please be patient as we find ways to support our whole school community. We are trying to have clear and helpful information forwarded to families by the end of today.
